

# Benton Falls, Tell Him

If you wait  
by the side of the road  
Then I will pick you up  
if you stay  
and wait for me  
I will be there in my baby blue Ford  
I will be there from two in the morn  
But don't tell your dad  
Because I don't have a tale to tell  
Tell him something else  
Tell him you're away  
Tell him anything  
Tell him you're at Julie's  
Tell him you're away  
Tell him anything  
Tell him you're at Julie's  
So give him the number  
To call if he's scared  
To call if he cares  
Give him the number  
To call if he's scared  
To call if he cares  
If you wait  
By the side of the road  
Then you will be disappointed  
If you stay and wait for me  
In my Baby Blue ford  
I ain't coming round here no more  
So Go tell your dad  
Because I never had a tale to tell you  
Go Tell Him we are through'
