

Benton Paul, At The Bottom

Dropped and dying, a fallen leaf
I'm in pieces under your tree
Changin' color to brown from green
No life left in me
Bruised and broken, out on the street
Lookin' for love, and somethin' to eat
I am beggin' under your feet
No food left to eat
And I give everything
To be knocked down again
And I don't know if I will ever make it
I'm at the bottom again
Tied and twisted, chain 'round my leg
Toss me off into your lake
I am sinkin' down to my fate
No air left to breath
And I give everything
To be knocked down again
And I don't know if I will ever make it
I'm at the bottom again
I'm fallin' down, fallin' down
And I give everything
To be knocked down again
And I don't know if I will ever make it
I'm at the bottom again
