

Benton Paul, Where Are You

I'm out there searchin'
I'm out there wonderin'
Where she is -- where is she?
I spend most of my time
Dreamin'of
What it's like -- what is it like?
To be secure in someone's arms
Someone's charm
I want to be real sure that
What I'm doin's right -- what is right?
Where are you?
Where are you, my one?
When it comes down
Or when it comes around
I'll be there -- I'll be prepared
To be secure in someone's arms
Someone's charm
I want to be real sure this time that
What I'm doin's right -- yeah, that's right!
Where are you?
Where are you, my one?
With me it's always the rear-view
She's not as close as she appears to
With me it's always the rear-view
She's not that close
Where are you? Where are you?
Where are you, my one?
