

Benzino, Go Hard

[Intro: Benzino]

Unh, Hangmen 3

2 Times and J.B.

Yeah, Benzino, c'mon

Let's take it to these motherf**king streets, yo

Yo, throw your 3's up

[Benzino]

Lord I'm crying out, help me get my shit together

They tryin to put me back in, but I won't let 'em

I'm a living legend in these streets - east coast gangsta

With ties to the west coast, banging

Motherf**k a street team, my team bereave streets

Since '86 street sweepers poppin out the back door

Sprayed blocks, certain niggas kept glocks

Trucks ramped, niggas couldn't understand it

Benzino, sniffin eighths of anthrax

Niggas can't touch me, my nose gettin runny

I got 5 cases, in 3 states with 6 lawyers

Had a 5S with Mass plates and 4 corners

Now I'm Black Stallion, Ferrari Twin Turbo

Probably been warned, but 'Zino gon hurt you

Enough's enough, let's take it to the streets

Raise big fire over Hangmen beats, c'mon

[Chorus: Benzino]

Go hard, or go home - I don't wanna hear it

My shit too long, and now you gon feel it

We gon break 'em, crash 'em, take 'em, smash 'em

Bang 'em, bruise 'em, hang 'em - Go hard

Break 'em, crash 'em, take 'em, smash 'em

Bang 'em, bruise 'em, hang 'em - Go hard

Break 'em, crash 'em, take 'em, smash 'em

Bang 'em, bruise 'em, hang 'em - Go hard

[Benzino]

Diablos, the slug from the web and kill Gotho

Nevatho, from East L.A., Bronx to Chicago

My choppa sting ya, make you scream "A bay Maria!"

Born leader, Benzino bring flame, born heater

I post bail with 6 figures, you slick niggas

Betta have extra clips if you try and stick with us

I'm a monster on this mic, official Made Men savvy

Draped with rabbit foot, nothing less 50 karats

My closet's like a rainbow - Velour suits change like the weather

Adidas box stacked, Fly 11's

Hydraulics in the 6 keep my CD's from skippin

You niggas trippin, nasty, know steady rippin

GQ Magazine, we on page 144

Source covers, Spaceships, Flex Tunnel Tour

I bet chu didn't know the Hangmen made a beat and laced Nas

Stop hating motherf**ker, go hard!

[Chorus]

[Benzino]

Benzino strike back - most hated, f**k this rap game

Reputed gang banga, accused drug slanga.. thug

Rhyme sick style, arrogant.. thug

Run up on me wrong - not having it

My crew been through so much that you can't dream of

Everybody wanna be hard til they see slugs

Continue breaking bread with my team, thug mean muggs

I'm organized, my shit's effective

Selective, with the type of niggas that I run with
Guns clicked.. hold up, we on some other shit
Scream loud, Benzino represent for the niggas, bitches, gangstas, playas

[Chorus 2x]
