(and if ya don't know! now ya know!)  
Your troubled and feel all alone.  
Remember this juice I shared with you  
And let your life shine like the son.

Verse 2:

(benzino) I'mma give you answers  
to your questions.  
Like why its important,  
when havin sex to use protection.  
You a blessing,  
and I always got you.  
Not just opposite,  
I'm your role model.  
There's more to life than money;  
Morals, values.  
There's rules in life  
It's important you follow  
like, never fondle touch what aint yours  
unless you got to,  
and help mom with the chores  
Be responsible,  
never follow, but lead.

Just watch the things your father do  
When they see you, they see me  
Can you spit like your dad?  
(lil ray ray)  
Yeah its easy!  
A-B-C 1-2-3  
set off a jeep  
from the beep  
turn the beat up  
turn the heat up  
Microphones like food I eat em  
after dinner I'm a winna  
Y'all can't stop me  
Y'all beginners

(Chorus)
