

Berman, Open Eyes

there's nothing more to you, than earthly flesh and empty bones, still searchin' for nothing, I'm face
show Me everything, give Me all you've got, reveal mysteries, and mountains will bow at your name
shackles fall to my feet, a thousand pounds lift from my back, scales ripped off my weakened eyes,
tired of the circles ran, i'm sorry that i'm just a man, falling at Your feet again, i stop myself to let Yo
