

Bernard Butler, Stay

These days are wastin' away
The kind I'd rather save

Don't go, stay...
Don't go, stay...

I, I hope it don't rain
The sky is laughing again

Don't go, stay... this time
Don't go, just stay... this time

I know I've gotta move with the times
For you to be mine, for you to be mine
I tried to believe what you say
That you won't change if you just stay

Don't go, just stay... this time

I know I've gotta move with the times
For you to be mine, for you to be mine
I tried to believe what you say
That you won't change if you just stay

Don't go, stay... this time
Don't go, just stay... this time

You remember that fears on your side
Good people gonna keep you alive
And you remember the tears in my eyes
When all the things you do blow your mind

Don't go, stay... this time
Don't go, just stay... this time

Stay, stay
Don't go
Stay...
Don't go

Don't go
