

# Best Coast, I'm With You

The world is lazy  
but you and me  
we're just crazy  
So when I'm with you, I have fun  
Yeah when I'm with you, I have fun  
The world is lazy  
but you and me  
We're just crazy  
So when I'm with you, I have fun  
Yeah when I'm with you, I have fun  
Ever since I was a little girl  
My mama always told me  
there'd be boys like you  
So when I'm with you, I have fun  
Yeah when I'm with you, I have fun  
I hate sleeping alone (4x)  
Alone (5x)
