

# Beth Hart, Good As It Gets

Good As it Gets

[Beth Hart]

Album: 37 days (2007)

Ain't got style like a magazine-no my shoes don't shine  
Ain't got pride like a beauty queen-can't even walk a straight line  
Somebody say the best things in life are on the inside  
Say my name, all my love's in vain, in the welfare line

Nobody told me there'd be days like these  
There's gotta be somethin' more than misery  
It's the salt that stings

[Chorus:]

As Good As it Gets  
I want the sunshine, champagne all the time  
I'll live on Wine and Roses, so hold me closer  
Untill I break a Sweat, it ain't  
As Good As it Gets

Workin' on dreams, call 'em Jelly Beans  
They make me laugh out loud  
When the crowd screams-it is good indeed  
And makes my mamma proud  
Somebody say the best things in life, get em while you can  
Say my name I think it is gonna rain-I got to find my man

Nobody told me where the sun's gonna shine  
Heaven is only when the good's inside-right before I die

[Chorus: Repeat]

I wanna break out-wanna break out-won't you let me in  
wanna make out-wanna make out-fill my cup again  
To the fucking rim  
As Good As it Gets
