

Beth Rowley, You Never Called Me Tonight

You said youd call me tonight
You said youd call me tonight
So I stay at home, waiting by the phone
But you never called me tonight
There are so many things I should've done
I had to cancel everyone
It's what I had to do so I could talk to you
But you never called me tonight
Life is beautiful when I'm with you
But now you stop to call in
And I don't know what to do
I'm at the end of the line
I thought we were fine
I don't get it (get it)
You'd better pick up the phone
Tell me I'm not alone
Ooh you'll regret it yeah (regret it, regret it)
You said that you would
But you never called me tonight
(You never called me tonight)
You don't know what I had to say
I never give them much away
And now you'll never know
Why I had to go
Cause you never called me tonight
Life is beautiful when I'm with you
But now you stop to call in
And I don't know what to do
I'm at the end of the line
I thought we were fine
I don't get it (get it)
You'd better pick up the phone
Tell me I'm not alone
Ooh you'll regret it yeah (regret it, regret it)
You said that you would
But you never called me tonight
I get so excited whenever you're around
I could never hide the love that I've found
Life is beautiful when I'm with you
And now you stop to call in
And I don't know what to do
I'm at the end of the line
I thought we were fine
I don't get it (get it)
You'd better pick up the phone
Tell me I'm not alone
Ooh you'll regret it yeah (regret it, regret it)
You said that you would
But you never called me, yeah
(I'm at the end of the line
I thought we were fine)
And I don't get it (get it)
You'd better pick up the phone
Tell me I'm not alone
Ooh you'll regret it yeah (regret it, regret it)
You said that you would
But you never called me tonight
(You never called me tonight)
You never called me tonight
(You never called me tonight)
You never called me tonight
