

Betta Lemme, Play

alo bonjur
hi
hey
i didn't get your name
love
I
feel so out of plays
cause

I don't usually come to parties
I'm a little bit shy but naughty
but sine you laid eyes on me
I want to
Grey up and move my body
I'm a little bit shy but naughty
but since you laid eyes on me
I want to play

lallaal I lalalla it's lalala
I want to play
get lalalla I lalalal it's lalalal
I want to play
I want to play
parapapapapapapa
I want to play

soeey for the other day
wondered in my head if you wann aplay
you said you said no way
in the dark we're back again
wanna see the things that I never said
replaying in my head

I don't usually come to parties
I'm a little bit shy but naughty
but sine you laid eyes on me
I want to
Grey up and move my body
I'm a little bit shy but naughty
but since you laid eyes on me
I want to play

lallaal I lalalla it's lalala
I want to play
get lalalla I lalalal it's lalalal
I want to play
I want to play
parapapapapapapa
I want to play
