

Better Than Ezra, Porcelain

Hey, you've got a lot of nerve to show your face around here.
Hey, you've got a lot of nerve to dredge up all my fears.
Well, I wish I could shake some sense into you and walk out the door.

[To Chorus:]

But your skin is like porcelain.

Yeah, your skin is like porcelain.

Just the other day I felt I had you by a string.

Just the other day I felt we could be everything.

But now when I see you, you're somebody else.

In somebody's eyes and your skin...

[To Chorus:]

But your skin is like porcelain.

Yeah, your skin is like porcelain.

[BRIDGE:]

I don't know what I'm saying.

Well, I don't know if you're there.

In the words you are feigning.

Do you even care?

Well I wish I could kill you,

savor the sight.

Get in to my car, drive into the night.

Then lie as I scream to the heavens above.

That I was the last one you ever loved.

Yes, your skin is like porcelain.

[To Chorus:]

But your skin is like porcelain.

Yeah, your skin is like porcelain.
