

Between The Trees, We Can Try

What would you say
if I
told you that all I've thought about
is you
since you been gone
I wish some way, some how
I could turn this world right back around
and mend mistakes I made.
So I could say to you that
I know things aren't quite like what they used to be
different faces, different places yeah.
We could try, oh yeah we could try.
What would you say if I
told you that I'm not givin' up
however long it takes
It's clear that things have changed
since when we started
but we can't just walk away, babe.
So I am telling you
that I know,
things aren't quite like what they used to be
different places, different faces yeah
We could try, oh yeah we could try.
I know, things aren't quite like used to be
different faces, different places, yeah.
We could try, oh yeah we could try.
I know, things aren't quite like what they used to be.
Different faces, different places, yeah
We can try, oh we can try.
I know, things aren't quite like what they used to be.
different places, different faces, yeah.
We could try, oh yeah, we could try
I know, things aren't quite like what they used to be.
different places, different faces, yeah.
We could try, oh yeah, we could try
