

# Between The Trees, We Can Try

What would you say  
if I  
told you that all I've thought about  
is you  
since you been gone  
I wish some way, some how  
I could turn this world right back around  
and mend mistakes I made.  
So I could say to you that  
I know things aren't quite like what they used to be  
different faces, different places yeah.  
We could try, oh yeah we could try.  
What would you say if I  
told you that I'm not givin' up  
however long it takes  
It's clear that things have changed  
since when we started  
but we can't just walk away, babe.  
So I am telling you  
that I know,  
things aren't quite like what they used to be  
different places, different faces yeah  
We could try, oh yeah we could try.  
I know, things aren't quite like used to be  
different faces, different places, yeah.  
We could try, oh yeah we could try.  
I know, things aren't quite like what they used to be.  
Different faces, different places, yeah  
We can try, oh we can try.  
I know, things aren't quite like what they used to be.  
different places, different faces, yeah.  
We could try, oh yeah, we could try  
I know, things aren't quite like what they used to be.  
different places, different faces, yeah.  
We could try, oh yeah, we could try
