

Beverly Craven, Holding On

I'm losing control of my emotions
You've got this hold on my heart
I've never known what we are feeling
You never took me so far
I can't find the words
Is this love?
Tell me I've found you
Is this love?
Say that you'll always keep
Holding on
keep holding on
'cos your love's got a hold on me
Holding on
keep holding on
Yeah...

I'm losing my mind dreaming about you
still as you sleep by my side
kiss me awake, whisper Good Morning
say what you said one more time
'cos I need to know

Is this love?
Tell me I've found you
Is this love?
Say that you'll always keep
Holding on
keep holding on
'cos your love's got a hold on me
Holding on
keep holding on
Yeah...

Is this love?
Tell me I've found you
Is this love?
Say that you'll always keep
Holding on
keep holding on
'cos your love's got a hold on me
Holding on
keep holding on
Yeah...
