

# Beverly Craven, Holding On

I'm losing control of my emotions  
You've got this hold on my heart  
I've never known what we are feeling  
You never took me so far  
I can't find the words  
Is this love?  
Tell me I've found you  
Is this love?  
Say that you'll always keep  
Holding on  
keep holding on  
'cos your love's got a hold on me  
Holding on  
keep holding on  
Yeah...

I'm losing my mind dreaming about you  
still as you sleep by my side  
kiss me awake, whisper Good Morning  
say what you said one more time  
'cos I need to know

Is this love?  
Tell me I've found you  
Is this love?  
Say that you'll always keep  
Holding on  
keep holding on  
'cos your love's got a hold on me  
Holding on  
keep holding on  
Yeah...

Is this love?  
Tell me I've found you  
Is this love?  
Say that you'll always keep  
Holding on  
keep holding on  
'cos your love's got a hold on me  
Holding on  
keep holding on  
Yeah...
