

# Beyoncé, Bigger

If you feel insignificant, you better think again  
Better wake up because you're part of something way bigger  
You're part of something way bigger  
Not just a speck in the universe  
Not just some words in a bible verse  
You are the living word  
Ah, you're part of something way bigger  
Bigger than you, bigger than we  
Bigger than the picture they framed us to see  
But now we see it  
And it ain't no secret, no

Understand the truth 'bout that question in your soul  
Look up, don't look down, then watch the answers unfold  
Life is your birthright, they hid that in the fine print  
Uh, take the pen and rewrite it  
Step out your estimate  
Step in your essence and know that you're excellent  
Rise (Rise), the spirit is teachin'  
Oh, I'm not just preachin', I'm takin' my own advice

Let mama let you know (Let you know)  
Mama's just tryin', I can't get no days off  
I don't get no days off  
Truly, I'm feelin' it, I had to say that thing twice  
Tryin' to be a good wife  
Still really hard, I can't lie  
But I promised you I will fight, so I fight  
If you feelin' frustrated and (Oh)  
You're sinkin', I'm jumpin' in (Oh)  
Forgiveness is key because we're fightin' something way bigger  
You'll never lose, we are winners  
I'll be the roots, you be the tree  
Pass on the fruit that was given to me  
Legacy, ah, we're part of something way bigger

Bigger, you're part of something way better  
Bigger than you, bigger than we  
Bigger than the picture they framed us to see  
Legacy, oh, you're part of something way bigger

Let love be the water  
I pour into you and you pour into me  
There ain't no drought here  
Bloom into our actual powers  
I'll be your sanctuary, you just don't know it yet  
You just don't know it yet  
No matter how hard it gets  
You got my blood in ya  
And you're gonna rise

You're part of something way bigger  
You're part of something way bigger  
Bigger than you, bigger than me  
Bigger than the picture they framed us to be, yeah  
Ooh, ooh, you're part of something way bigger

Understand the truth 'bout that question in your soul (Bigger)  
Look up, don't look down, then watch the answers unfold (Bigger)
