

# Beyoncé, Blue (feat. Blue Ivy)

Sometimes these walls seem to cave in on me  
When I look in your eyes, I feel alive  
Some days we say words that don't mean a thing  
But when you holding me tight, I feel alive

It can last forever  
Come one baby won't you hold on to me, hold on to me  
You and I together  
Come one baby won't you hold on to me, hold on to me

Each day I feel so blessed to be looking at you  
Cause when you open your eyes, I feel alive  
My heart beats so damn quick when you say my name  
When I'm holding you tight, I'm so alive  
Now let's live it up

It can last forever  
Come one baby won't you hold on to me, hold on to me  
You and I together  
Come one baby won't you hold on to me, hold on to me  
/2x

We gotta hold on, I gotta hold on  
You've got to hold on, you've got to hold on to me  
/2x

It can last forever  
Come one baby won't you hold on to me, hold on to me  
You and I together  
Come one baby won't you hold on to me, hold on to me

[Blue Ivy:]  
Hold on to me
