

Beyoncé, Die With You

I don't have a reason to cry
And I have every reason to smile
I don't have a reason to lie
When you're already reading my mind
And I don't have a reason to be, if I can't be with you

And I don't need air in my lungs, if I can't sing your song
No, I don't need hands if I don't get to keep you warm
And I don't really need myself, if I don't need you

Cause, darling, I wake up just sleep with you
I open my eyes so I can sleep with pure
I live so I can die with you

And I don't really need these fingers, if I don't get to touch your spine
Well I don't need these legs, if I ain't walking by your side
And I don't really need to be if I can't be with you

Cause, darling, I wake up just sleep with you
I open my eyes so I can sleep with pure
I live so I can die with you
Cause, darling, I wake up just sleep with you
I open my eyes so I can sleep with pure
Darling, cause I can ...
I live so I can die with you
