

Beyoncé, My Man

Intro

[Beyonce:

You could do so much better.]

Verse 1

You say that he's wrong

You say that he's no good

Leave him alone cause he's gonna hurt you

But what they don't know is how he makes me feel

You say that he creeps

Always runnin' the streets

He's playing the game

And he'll never love me

You say that he's fake but why does it feel so real

Hook

No matter what you say I ain't goin' nowhere

No matter what you think I'ma always be there

The love that we share really lives inside of me

No matter what you hear it's all in the past

No matter what you feelin' this love is gone last

The heart of his soul it breathes inside of me

Chorus

My man, he makes me feel so special

My man, he makes me feel so precious

My man, he makes me feel wonderful

My man, with him I'm so comfortable

My man, he makes me feel so special

My man, he makes me feel so precious

My man, he makes me feel wonderful

He's thugged out but he's my man

Verse 2

You say you don't trust 'em

Because he's been locked up

You say that he's trouble cause he's out in the strip club

But you were young once so you should understand

You say that you know

So you've been a witness

You say it's for sure

Say he got a mistress

Until you can show me I'm goin' stand by him

Hook

No matter what you say I ain't goin' nowhere

No matter what you think I'ma always be there

The love that we share really lives inside of me

No matter what you hear it is all in the past

No matter what you feelin' this love is gone last

The heart of his soul it breathes inside of me

Chorus

My man, he makes me feel so special

My man, he makes me feel so precious

My man, he makes me feel wonderful

My man, with him I'm so comfortable

My man, he makes me feel so special

My man, he makes me feel so precious

My man, he makes me feel wonderful

He's thugged out but he's my man
