

# Beyoncé, That's why you're beautiful

Diamonds used to be coal  
Look young cause they got soul  
That's why they're beautiful  
And my heart used to be cold  
'Til your hands laid on my soul  
Baby, that's why you're beautiful  
I'm not wondering why....  
The sky's blue; that's not my business  
All I know is I....  
Look up and tell myself  
"Be patient, love...that could be us..."  
Lovers used to make love  
And die just to give us  
Their piece of the beautiful  
Remember when we made love?  
Love.....  
Wasn't it beautiful?  
Don't ask me why  
The sky's blue; that's not my business  
All I know is I....  
Look up and tell myself  
"Be patient, love...that could be us..."  
Diamonds used to be coal  
Look young cause they got soul  
That's why they're beautiful  
And my heart used to be cold  
'Til your hands laid on my soul  
Baby, that's why you're beautiful  
Somebody's got to stay deep in love  
That could be us..  
That's why we're beautiful  
That's why you're beautiful  
Ooh  
Why, why  
That's why you're beautiful  
That's why you're beautiful  
That's why you're beautiful
