BG5 (The BeachGirl5), Scratch

Take a little moment to real live all your tension Lose yourself to somebody else Your mind's a creator and your body is the extension give me that and I'll give it back If I scratch your back you need to scratch mine you need to get yours I need to get mine If I scratch your back you need to scratch mine you need to get yours I need to get mine So scratch....scratch....scratch....scratch... Before we stars to the play this game let's get the rules out the way Its you! Its you! that take me wanna move Before I make the trip to dance I need to get my passport stamped Its you! Its you! that take me wanna move If I scratch your back you need to scratch mine you need to get yours I need to get mine If I scratch your back you need to scratch mine you need to get yours I need to get mine So scratch....scratch....scratch.... we say the move to the right, all right! all right! we say to the move to the left say hell yes! hell yes! we say the move to move to move to the right all right! Now stand there looking fresh all my ladies over dressed hype it up so you can dance, you can dance! hype it up so you can dance, you can dance! hype it up so you can dance, you can dance! just scratch....scratch....scratch....scratch... If I scratch your back you need to scratch mine you need to get yours I need to get mine If I scratch your back you need to scratch mine you need to get yours I need to get mine So scratch....scratch....scratch....scratch...
