

Bhad Bhabie, Trust Me (feat. Ty Dolla \$ign)

i know you gone be the one that's hold me down
when it's time to put in work you know I'm always round
tote that Glock, hold that work,
baby, do you trust me?
got the streets in a lock
imam make you love me
baby, do you trust me?
do you trust me?
baby, do you trust me?
baby, do you trust me?
got the streets in a lock
imam make you love me

imam make you love me
baby, do you trust me?
come in close and hug me

tell that hoe don't test me
I don't play bout mines
watch this get messy

tote the Glock, hide in my spot
bitch stop playing, I'ma leave you hot
I'ma leave you hot
rubber bands wrapped around these knots
bitch, stop playing
watch me kill the parking lot

i know you gone be the one that's hold me down
when it's time to put in work you know I'm always round
tote that Glock, hold that work,
baby, do you trust me?
got the streets in a lock
imam make you love me
baby, do you trust me?
do you trust me?
baby, do you trust me?
baby, do you trust me?
got the streets in a lock
imam make you love me
