

# Bianca Ryan, Awake

Lost in the crowd  
Where forever I'll never be seen  
Shouting out loud  
Gotta find a way out of this dream, mhmhhh  
Cause I don't want to hide  
not from the world outside  
Today my eyes are open wide

And now I'm awake  
I have no fear, won't disappear  
I'll still be here tomorrow  
And now I'm awake  
I'm feeling strong I'll carry on  
A thousand years and more

Maybe I'm shy, but inside  
I just wanna be free  
Maybe I found there's  
A quiet in people like me, mhmhhh  
But there's a noise within  
That's where our voice begins  
And then the sound of silence ends

And now I'm awake  
I have no fear, won't disappear  
I'll still be here tomorrow  
And now I'm awake  
I'm feeling strong I'll carry on  
A thousand years and more

So every step I take's an act of faith  
Everywhere I go I find myself

Now I'm awake, mhmhhh  
I have no fear, won't disappear  
I'll still be hear tomorrow  
Now I'm awake  
I'm feeling strong, I'll carry on  
A thousand years and more

Now I'm awake

Now I'm awake

Now I'm awake
