

Bic Runga, Heal

Don't forget me
Bring me down
Don't let me promise you
Things I cannot do
This infection adds to my collection
Hoard my pain
And show it to you one day
You alone indeed
You sing so adamantly
And it fills my mind with thoughts so fine
Don't ask too much of me oh

Heal me now, heal me now
Heal me now, heal me now

Don't erase me
Cut me out replace me
I'm still here
I'm not going anywhere
You alone indeed
You sing so adamantly
Let it free what ever's locked inside
Don't ask too much of me

Heal me now, heal me now
Heal me now, heal me now
