

Bif Naked, Alcohol Or Comedy

My life was Comedy. Quitting drinking was the easiest thing I've ever done. I have never looked back. I wanted attention. I wanted everyone to think I was funny. I wanted everyone to like me. I, I hate Or, or Robin Williams. I wanted to be them. I still am enraptured with comedians. They must always be. Quitting drinking was the easiest thing I've ever done. Quitting my comedic dreams was hard. I can never look back on either.
