

Bif Naked, Henry

I failed you, Henry I failed you good.
I was forgotten, and I understood.
But time, it stood still when you walked in.
I'm too proud to inquire as to where you've been.

[Chorus]

Please don't take this the wrong way.
You're truly lovely, baby.
But the welcome matt, it ain't out.
My baby and I, will be just fine.
So be a man and just turn around.
And get along Henry.
Be a good boy Henry.
This is your song, Henry.
I guess this is goodbye.

I love you, Henry. Yeah I love you still.
I love your kisses. And I always will.
But I do not need you to raise this child.
Yeah you're iron-fisted and you're mustang wild.

[Chorus]
