

Bif Naked, October Song

if i fall out of my nest
will you pick me up, will you help me fly
if i fall out of my nest
will you show me love
if i'm in over my head
will you pick me up will you help me out
if i'm in over my head
will you show me love

its cold baby, its cold baby
i need your love to get me through this time
lonely, october song
i am a bleeding heart
lonely, october song
help me i'm falling apart

i can't seem to find anyone
who hasn't fallen, fallen down
i can't seem to find to anyone unlike
a crispy leaf on the ground
there are leaves all around

if i'm blind and lose my way
will you walk with me, will you help me see
if i'm blind and lose my way
will you show me love
if i'm incarcerated
will you bust me out, will you set me free
if i'm incarcerated
will you show me love

its cold baby, its cold baby
i need your love to get me through this time
lonely, october song
i am a bleeding heart
lonely, october song
help me i'm falling apart

i can't seem to find anyone
who hasn't fallen, fallen down
i can't seem to find to anyone unlike
a crispy leaf on the ground
there are leaves all around

if i fall out of my nest
and if i'm in over my head
if i'm blind and lose my way
if i'm incarcerated

if i fall out of my nest (its cold baby, its cold baby)
and if i'm in over my head (its cold baby, its cold baby)
if i'm blind and lose my way (its cold baby, its cold baby)
if i'm incarcerated (its cold baby, its cold baby)

i can't seem to find anyone
who hasn't fallen, fallen down
i can't seem to find to anyone unlike
a crispy leaf on the ground
there are leaves all around

i can't seem to find anyone
who hasn't fallen, fallen down
i can't seem to find to anyone unlike (its cold baby)
a crispy leaf on the ground (its cold baby)

there are leaves all around
