

# Bif Naked, That's Life

I like babytalking, popcorn without butter,  
and any boy who will pay attention to these requirements  
I'm an "optimistic" "beauty". Never impolite.  
Easy like Saturday (mid-day).  
Breezy, chilled-out, dumb grrl.

## Chorus

That's life with me, I know.  
Around and around you will go.  
But, if I French-kiss you in the broad daylight,  
You'll fall in love.. Oh, oh, oh  
That's life with me, I know.

I am pretending to be a free-bouncing lover  
I wear my "Defensive Mask of Optimism" like a badge  
Ultimately, I am much too lazy to change  
I'm rather conditioned to my life of melodrama

That's life with me, I know.  
Around and around you will go.  
But, if I French-kiss you in the broad daylight,  
You'll fall in love.. Oh, oh, oh  
That's life with me, I know.

That's life with me - that's how it will be my friend:  
a roller coaster ride you won't forget.  
I am just a mess!  
I am just a mess - at best.  
I'm a "blue-ribbon prizewinner" till the end

That's life with me, I know.  
Around and around you will go.  
But, if I French-kiss you in the broad daylight,  
You'll fall in love.. Oh, oh, oh  
That's life with me, I know.

That's life with me, I know.  
Around and around you will go.  
But, if I French-kiss you in the broad daylight,  
You'll fall in love.. Oh, oh, oh  
That's life with me.
