

# Biffy Clyro, Do you remember what you came for

How do you suppose  
we go from east to left in a semi tangent graph?  
Collapsed inside a useless thin-screened fully coloured tube  
Opinions change, only because we both know,  
we both know of  
The first collage, and what it held,  
experience tells of a sinister plan  
Do you remember what you came for?  
do you remember what you came for? the children  
How do you suppose we go,  
from west to right in a fully rounded route
