

Big Bad Voodoo Daddy, Big Time Operator

I like to sneak a drink,
and roll my smoke
You see I like my collars pressed
I wear big ol' hats,
and fancy ties
and I hang late with my friends
I can take it on the chin with a cheshire grin
I'm a sinner, VIP
You know I like mixed drinks,
I likes what I thinks
I think you know just what I mean
You know that heroes and legends are one and the same
Its-a how you play the game
You see, I'm no fool,
I'm from the old school
It's the fire from the flame

A babalu zau, etc.

I like a big ol' car, and fine cigars,
You know I'll pick your pockets clean
I'm a snake-eye rollin', big league bowlin'
And I clean up on the green
I got the Jack, the Ace, the King and Queen You know,
I like my women mean
Cause I'm a big time operatin', never ever hesitatin' sinner VIP
Cause I'm a big time operatin', never ever hesitatin' sinner VIP
I like sneakin' a drink, and roll my smoke
You see I like my collars pressed
I wear big ol' hats, and fancy ties
and I hang late with my friends
