

# Big Brother & The Holding Company, Flower In T

Oh please don't you think baby that I have been wrong to cry, yeah.  
You loved me, too,  
So how come you just sit there and laugh  
And laugh and laugh and laugh ?  
Things just can't be this way  
Not for very long  
No no no no no no no no no no no no.  
Our love affair, yes it's just history, yes it is.

And I tried to love you in my own way,  
I think that you know I did.  
But to have you here, to see you living,  
Oh so near to me, yeah, hey, hey, hey.  
Oh but you are distant and so it's dead  
And so often people are glad to be old, 'cause yeah,  
Our love affair is just history, yes it is.

Once in a green time a flower  
Oh, fell in love with the sun.  
The passion lasted for an hour  
And then she wilted from her loved one.

Once in a green time a flower  
Oh, fell in love with the sun.  
The passion lasted for an hour  
And then she wilted, wilted from her loved one.

And I see you looking up at the sky, how high it is.  
You wonder if there is, whoa another me  
Now how can that be, honey how can it be ?  
Well, I sit here and I ask you, why all this ?  
I just got toni-ni-ni-night  
Our love affair is just a history  
Well, it's all over, baby, it's over, baby,  
I can't stand another lo-lo-lonely,  
I'm never too lonely.

It's over baby,  
I can't help it 'cause I just cry inside,  
I just cry inside,  
Oh baby, oh baby, don't you feel me moving,  
Oh baby, oh baby, don't you hear me crying ?  
Well I don't, I don't have to, yeah,  
I said now I hurt you, hurt me too now,  
Oh baby, oh baby ...
