

Big Brovaz, All The Things She Said

all the things she said,
all the things she said,
running through my head,
running through my head,
running through my head,
this is not enough,
this is not enough,
i'm in serious shit
i feel totally lost,
if i'm asking for help it's only because,
being with you has opened my eyes,
could i ever believe such a perfect surprise?
i keep asking myself wondering how,
i keep closing my eyes but i can't block you out,
wanna fly to a place where it's just you 'n' me,
nobody else so we can be free.
all the things she said,
all the things she said,
running through my head,
running through my head,
running through my head,
all the things she said,
all the things she said,
running through my head,
running through my head,
all the things she said
this is not enough,
woah,woah,
this is not enough!
and i'm all mixed up feeling cornered and rushed,
they say it's my fault but i want her so much,
wanna fly her away where the sun and the rain,
come in over my face wash away all the shame,
when they stop and stare - don't worry me,
cos i'm feeling for her what she's feeling for me,
i can try to pretend, i can try to forget,
but it's driving me mad, going out of my head!
all the things she said,
all the things she said,
running through my head,
running through my head,
running through my head,
all the things she said,
all the things she said,
running through my head,
running through my head,
all the things she said
this is not enough,
this is not enough,
mother,
looking at me,
tell me what do you see
yes, i've lost my mind.
daddy,
looking at me,
will i ever be free,
have i crossed the line?
all the things she said,
all the things she said,
running through my head,
running through my head,
running through my head,
all the things she said,
all the things she said,

running through my head,
running through my head,
all the things she said
this is not enough,
this is not enough,
