Big D And The Kids Table, Safe Haven

Whoa-oh Safe Haven

Lost boy cannot feel Though you try and you try and you try You cannot feel

Whoa-oh Safe Haven

Lost girl cannot feel Though you try and you try and you try You cannot feel

Whoa-oh Safe Haven

(Turn up this beat up stereo, play it down all soft and slow) (sweet and lowdown)

It's five o'clock, I find your house. The bus was long, the sun is up. Your place is wrecked, its smell is stale I walk through trash, you're up the stairs You're on the roof You said you'd be Crawl through the window You smile at me It's safe to say here, it's safe to say Relax, slow down, take a breath and breathe

Whoa-oh Safe Haven

(Turn up the beat up stereo, play it down all soft and slow)
