

Big Daddy Kane, T.L.C.

(Kane)

Question.. what has he done, for you lately?

Tell me.. do y'all go for walks on the beach?

I just wanna know, if you had dinner at the pond

or the drive-through at Mickey D's

You say the last movie y'all saw was "Jaws"? Mmm

Well never fear baby, the Big Daddy is here

I come up upon the scene to romance thee

with a little bit of T.L.C. to tickle your fancy

Give you protection, warmth and affection

Make sure you never feel any rejection

Without a doubt, I admire you, I have a desire to

be a more better man prior to

your past relationships, you've been datin

with all the wrong gentlemen, I'm more sentimental

in my own little way so (HEY!)

Whattaya say about givin a play okay?

Cause I'm not here to impress you, I wanna caress you

posess you and bless you, nevertheless

to make you feel secure, and real sure

Mon cheri amore, pretty woman I adore

Don't shed a tear never fear my dear I'll be there

anywhere with some Tender Lovin Care

Chorus: repeat 2X
