

# Big Daddy Kane, T.L.C.

(Kane)

Question.. what has he done, for you lately?  
Tell me.. do y'all go for walks on the beach?  
I just wanna know, if you had dinner at the pond  
or the drive-through at Mickey D's  
You say the last movie y'all saw was Jaws? Mmm  
Well never fear baby, the Big Daddy is here

I come up upon the scene to romance thee  
with a little bit of T.L.C. to tickle your fancy  
Give you protection, warmth and affection  
Make sure you never feel any rejection  
Without a doubt, I admire you, I have a desire to  
be a more better man prior to  
your past relationships, you've been datin  
with all the wrong gentlemen, I'm more sentimental  
in my own little way so (HEY!)  
Whattaya say about givin a play okay?  
Cause I'm not here to impress you, I wanna caress you  
possess you and bless you, nevertheless  
to make you feel secure, and real sure  
Mon cheri amore, pretty woman I adore  
Don't shed a tear never fear my dear I'll be there  
anywhere with some Tender Lovin Care

Chorus: repeat 2X
