

Big Daddy Weave, His Name Is Jesus

A world full of people
In a world full of darkness
Constantly searching
Searching for truth

So shout it from the rooftops
the Truth has come

His name is Jesus
and He loves you
if you listen you can hear Him call your name
His name is Jesus
He gave His life for you
and to know Him is to never be the same

So many choices
So much confusion
No sense of direction
Don't know which way to turn

The Father paved the way for us
it's through His Son

To the one who is broken the one
who is lost
There is life to be found
at the foot of an old rugged cross
