

# Big Dismal, Too Pretty

It's obvious what you think about me  
'Cause you won't even give me a chance  
I don't mind what you say about me  
When you talk to your friends all the time

Was it something I said to you  
To make you think that I was just a fool  
Or maybe

You're too pretty  
You're too pretty for me  
I don't want to let you down

You're too pretty  
You're too pretty for me  
I don't want to wear that crown

One day you're gonna wish you'd given me a chance  
When I'm standing on top of the world  
And you're stuck down there in your fantasy  
With all your diamonds and pearls

Was it something I said to you  
To make you think that I was just a fool  
Or maybe

You're too pretty  
You're too pretty for me  
I don't want to let you down

You're too pretty  
You're too pretty for me  
I don't want to wear that crown

I never got up the nerve  
To say to you what I wanted to  
If I had a choice you know that I would  
Turn back the hands of time
