

Big Dismal, Too Pretty

It's obvious what you think about me
'Cause you won't even give me a chance
I don't mind what you say about me
When you talk to your friends all the time

Was it something I said to you
To make you think that I was just a fool
Or maybe

You're too pretty
You're too pretty for me
I don't want to let you down

You're too pretty
You're too pretty for me
I don't want to wear that crown

One day you're gonna wish you'd given me a chance
When I'm standing on top of the world
And you're stuck down there in your fantasy
With all your diamonds and pearls

Was it something I said to you
To make you think that I was just a fool
Or maybe

You're too pretty
You're too pretty for me
I don't want to let you down

You're too pretty
You're too pretty for me
I don't want to wear that crown

I never got up the nerve
To say to you what I wanted to
If I had a choice you know that I would
Turn back the hands of time
