## Big Fat Snake, Hit Me

Hit me

Take good care of me Take good care of your self Please don't let me be A number on your shelf

Baby show the way The way up to your door Oh baby, c'mon now and

Hit me Hit me Hit me with your light and love

Don't you say you don't Don't wanna walk along Don't you say you wont Love me till the day i'm gone

Baby show the way The way up to your door Oh baby, c'mon now and

Hit me Hit me Hit me with your light and love

III be right beside you forever I wont never ever leave you behind

C'mon honey I wanna ask you a favour

Hit me Hit me Hit me with your light and love
