

# Big Head Todd And The Monsters, Kensington Line

I work on a wreckin' wall  
Just off the liquor tracks  
Onto the shaky ground  
Oh, I'm fallin' down  
Hey, I'm ridin'

A fool to confide  
Hey, Eddie watch your name  
Let that lady be your guide  
Oh, she's comin' round  
Hey, I'm flyin'

When the sleep gets in your eyes  
I'll be on Kensington Line  
And I'll run my hundred miles  
Hey, don't you follow me tonight

I didn't like the look I see  
Runnin' in the autumn leaves  
Hasn't got a brain or peeve  
Oh, the walls are closin' in  
Hey, I'm headed out of here  
Oh, I never meant to leave you cryin'
