

Big Heifer, Flowers In Our Hair

Never wanna lose that lucid feeling.
Never wanna forget that clean dreaming.
I could cut you up to a million pieces.
I could give you a whole lotta reasons.
I could cut you up to a million pieces and I've leave you there.
I could cut you up to a million daises.
Never wanna lose that lucid feeling.
Never wanna forget that clean dreaming.

2X

We've got flowers in our, we've got flowers in our hair
Yeah, in our hair
