

# Big & Rich, Wild West Show

I'm feeling like Tonto  
Riding a pinto  
Trying to chase the Lone Ranger down  
I'm a little unraveled  
But I'm still in the saddle  
Crying your name out to the clouds  
Hey ya, hey ya

Why don't you meet me  
Back at the teepee  
We'll lay down by the campfire  
There, in the dark night  
We'll smoke a peacepipe  
Forget about who's wrong or right  
Hey ya, hey ya, hey

It was a big showdown  
Oh yeah, we stood our ground  
Shot out the lights, it got a little crazy  
I don't wanna see us go  
The way of the buffalo  
Don't want to have another wild west show  
Hey ya, hey ya

Only forgiveness  
Will finally end this  
There won't be a witness if we both fall  
There's never a hero  
In a battle of ego  
There's never a winner of the quickdraw  
Hey ya, hey ya, hey

It was a big showdown  
Oh yeah, we stood our ground  
Shot out the lights, it got a little crazy  
I don't wanna see us go  
The way of the buffalo  
Don't want to have another wild west show  
Hey ya, hey ya  
Hey ya, hey ya

It's like a ghost town  
Without you around  
Why can't we just forget  
Ride off in the sunset

It was a big showdown  
Oh yeah we stood our ground  
Shot out the lights, it got a little crazy  
I don't wanna see us go  
The way of the buffalo  
Don't wanna have another wild west show  
Hey ya, hey ya
