

# Big & Rich, You Never Stop Loving Somebody

It's complicated when love has faded  
And you can't hold on anymore  
You gotta let go even though you know  
Your heart's gonna hate it  
And it just might break it

Chorus:

You never stop loving somebody  
No matter what you tell yourself  
You never stop loving somebody  
You just start loving somebody else

The only solution, is making the conclusion  
That it's just another lesson in life  
Even though it's over,  
It's never really over at goodbye  
No matter how hard you try

Repeat Chorus

No matter what you say or what you do  
Even when you find somebody new

Repeat Chorus

Start loving somebody else
