

Big Sean, Bezerk (ft. A\$AP Ferg, Hit-Boy)

couple riders wht tchem llamos
if you pick a bone wit me
put my bitch up oon designer
got Balenci on her feet

my momma say a couple prayers
keep them demons off me
cause I know I am out there blessed
got so many reasons on me

you niggas done tried and noggas done died
too many belivers around me
I know my enemies meeting up
double teaming on me

now you know
nobody tried
that ever got piece off me
fucking these hoes till they be dying
don't catch a seizure on me
