

Big Star, Blue Moon

Let me be your one light
And if you'd like a true heart
Take the time to show you're mine
And i'll be a blue moon in the dark.

While you sleep you'll see me there
Clouds race across the sky
Close your eyes and don't ask why
And i'll be a blue moon in your eyes.

Morning comes and sleeping's done
Birds sing outside
If demons come while you're under
I'll be a blue moon in the sky

Let me be your one light
And if you'd like a true heart
Take the time to show you're mine
And i'll be a blue moon in the dark.
