Big Star, Holocaust

Your eyes are almost dead Can't get out of bed And you can't sleep

You're sitting down to dress And you're a mess You look in the mirror

You look in your eyes Say you realize

Everybody goes Leaving those who fall behind Everybody goes As far as they can, They don't just care.

They stood on the stairs Laughing at your errors Your mother's dead She said, "don't be afraid."

Your mother's dead You're on your own She's in her bed

Everybody goes
Leaving those who fall behind
Everybody goes
As far as they can
They don't just care
You're a wasted face
You're a sad-eyed lie
You're a holocaust.
