

Big Star, I Am The Cosmos

Every night i tell myself,
"i am the cosmos,
I am the wind"
But that don't get you back again

Just when i was starting to feel okay
You're on the phone
I never wanna be alone

Never wanna be alone
I hate to have to take you home
Wanted too much to say no, no,
Yeah, yeah, yeah
Yeah, yeah, yeah

Never wanna be alone
I hate to have to take you home
Want you too much to say no, no
Yeah, yeah, yeah
Yeah, yeah, yeah

My feeling's always happening
Something i couldn't hide
I can't confide
Don't know what's going on inside

So every night i tell myself
"i am the cosmos,
I am the wind"
But that don't get you back again

I'd really like to see you again
I really wanna see you again
I'd really like to see you again
I really wanna see you again
I'd really like to see you again
I really wanna see you again
I never wanna see you again
Really wanna see you again
