Big Star, I Am The Cosmos

Every night i tell myself, "i am the cosmos, I am the wind" But that don't get you back again

Just when i was starting to feel okay You're on the phone I never wanna be alone

Never wanna be alone
I hate to have to take you home
Wanted too much to say no, no,
Yeah, yeah, yeah
Yeah, yeah

Never wanna be alone
I hate to have to take you home
Want you too much to say no, no
Yeah, yeah, yeah
Yeah, yeah

My feeling's always happening Something i couldn't hide I can't confide Don't know what's going on inside

So every night i tell myself "i am the cosmos, I am the wind" But that don't get you back again

I'd really like to see you again I really wanna see you again I'd really like to see you again I really wanna see you again I'd really like to see you again I really wanna see you again I never wanna see you again Really wanna see you again
