

# Big Sugar, How Many Times

(arr. by G. Johnson)

Well, how many times  
Are you gonna treat me like you do?  
Well how many times  
Are you gonna treat me like you do?  
You've got all of my hugging  
All of my love to you

Well, how many times  
Am I gonna let you dog me around?  
How many times  
Am I gonna let you dog me around?  
See, I'd as soon rather be dead  
Sleeping six feet under ground

Well, how many times  
Bail house all night long?  
Well, how many times  
Bail house all night long?  
Swear, since I've known you, baby  
Swear you'd do me wrong  
Woo-hoo

Well, when I'm old and gray  
Got nowhere to go  
Well, when I'm and gray  
And I got nowhere to go  
You're gonna find yourself a younger man, baby  
You can't stand it no more

Well, I'm going to the stairs  
I'm gonna beggar for my clothes  
Well, you know I'm going to the stairs  
I'm gonna beggar just for my clothes  
And then where I go  
Nobody knows
